## EL MONTAJE DE LOS RACORES PARA POLIETILENO

El montaje de los Racores para Polietileno tanto de la marca ADF como de la marca FIV se realiza de manera muy sencilla ya que ambos sistemas están diseñados para poder acoplar directamente el tubo en los Racores siempre y cuando el tubo esté libre de rebabas y no presente ovalaciones considerables. Cumpliendo estos requisitos basta con aflojar la tuerca dos o tres roscadas, introducir el tubo en el racor hasta el tope y apretar totalmente la tuerca. Si el tubo a unir no estuviera libre de rebabas se aconseja efectuar el montaje siguiendo el siguiente orden que a continuación se detalla:

1- Desmontar la tuerca (figura 5) del Racor e introducirla en el tubo.

2- Introducir en el tubo el anillo de apriete (Figura 4). En ambos casos este anillo es simétrico lo cual hace que sea indiferente su posición de montaje.

3- Introducir en el tubo el anillo de tope (Figura 3).

4- Introducir en el tubo la junta tórica O-Ring (Figura 2). En este punto introducir el tubo con todos sus componentes en el cuerpo del Racor (Figura 1) asegurándose que todos se han desplazado a su posición final la cual viene determinada cuando el tubo hace el tope de su desplazamiento dentro del Racor.

5- Apretar la tuerca en el cuerpo del Racor. Este apriete se puede realizar incluso hasta con la mano en las medidas pequeñas de 20 a 32 si bien se aconseja siempre el uso de la llaves de apriete adecuada a cada medida. En las medidas de diametros grandes (75 a 110) el perfecto acoplamiento del tubo dentro del Racor se lleva a cabo mediante el apriete de los tornillos de cabeza exagonal.

# RACORES Y VALVULAS DE PVC PRESION Y PP PARA PE NEGRO

· Racores fabricados en Polipropileno ( PP ) de excepcionales propiedades mecánicas incluso a altas temperaturas.
· PN 16. Diámetros 20 a 32 no es necesario desenroscar la tuerca del cuerpo del racor para conseguir un montaje instantáneo.
· Tuerca de PP con adición de colorante de elevada estabilidad a los rayos UVA.
· Anillo de apriete de resina poliacetálica ( POM ) de alta dureza y resistencia mecánica.
· Anillo Tope de Polióxido de fenileno ( PPO ) con clip de sujeción al cuerpo presiona la junta Torica O-Ring.
· Junta Torica O-Ring de Caucho Nitrilo ( NBR ) apta para uso alimentario.
· Opcional en racores Rosca Hembra Anillo de Refuerzo en Acero Inox AISI 430.

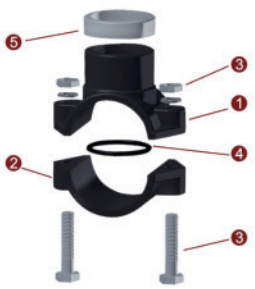
| FIG. | Parts | Material |
|---|---|---|
| 1 | Upper body | PP |
| 2 | Lower body | PP |
| 3 | Bolts and nuts | Zinc plated steel |
| 4 | O-ring | NBR |
| 5 | Reinforce ring | Stainless steel |



**ASSEMBLY**

A. Clean the external surface of the pipe. Be sure that the O-Ring is in its position.

B. Couple the upper portion of the saddle with the lower one on the pipe. Insert the bolts, screw in the nuts and tighten the bolts diagonally opposite each other.

C. Drill a hole in the pipe wall. Do not damage the O-Ring or the pipe near the seal zone. Use the right tools.

## SOLVENTE ROBUSTEZ

*Sometimes the truth just ain't enough*
*Or it's too much in times like this*
*Let's throw the truth away, we'll find it in this kiss*
*In your skin upon my skin, in the beating of our hearts*
*May the living let us in, before the dead tear us apart*

*"Worlds appart" (Bruce Springsteen)*

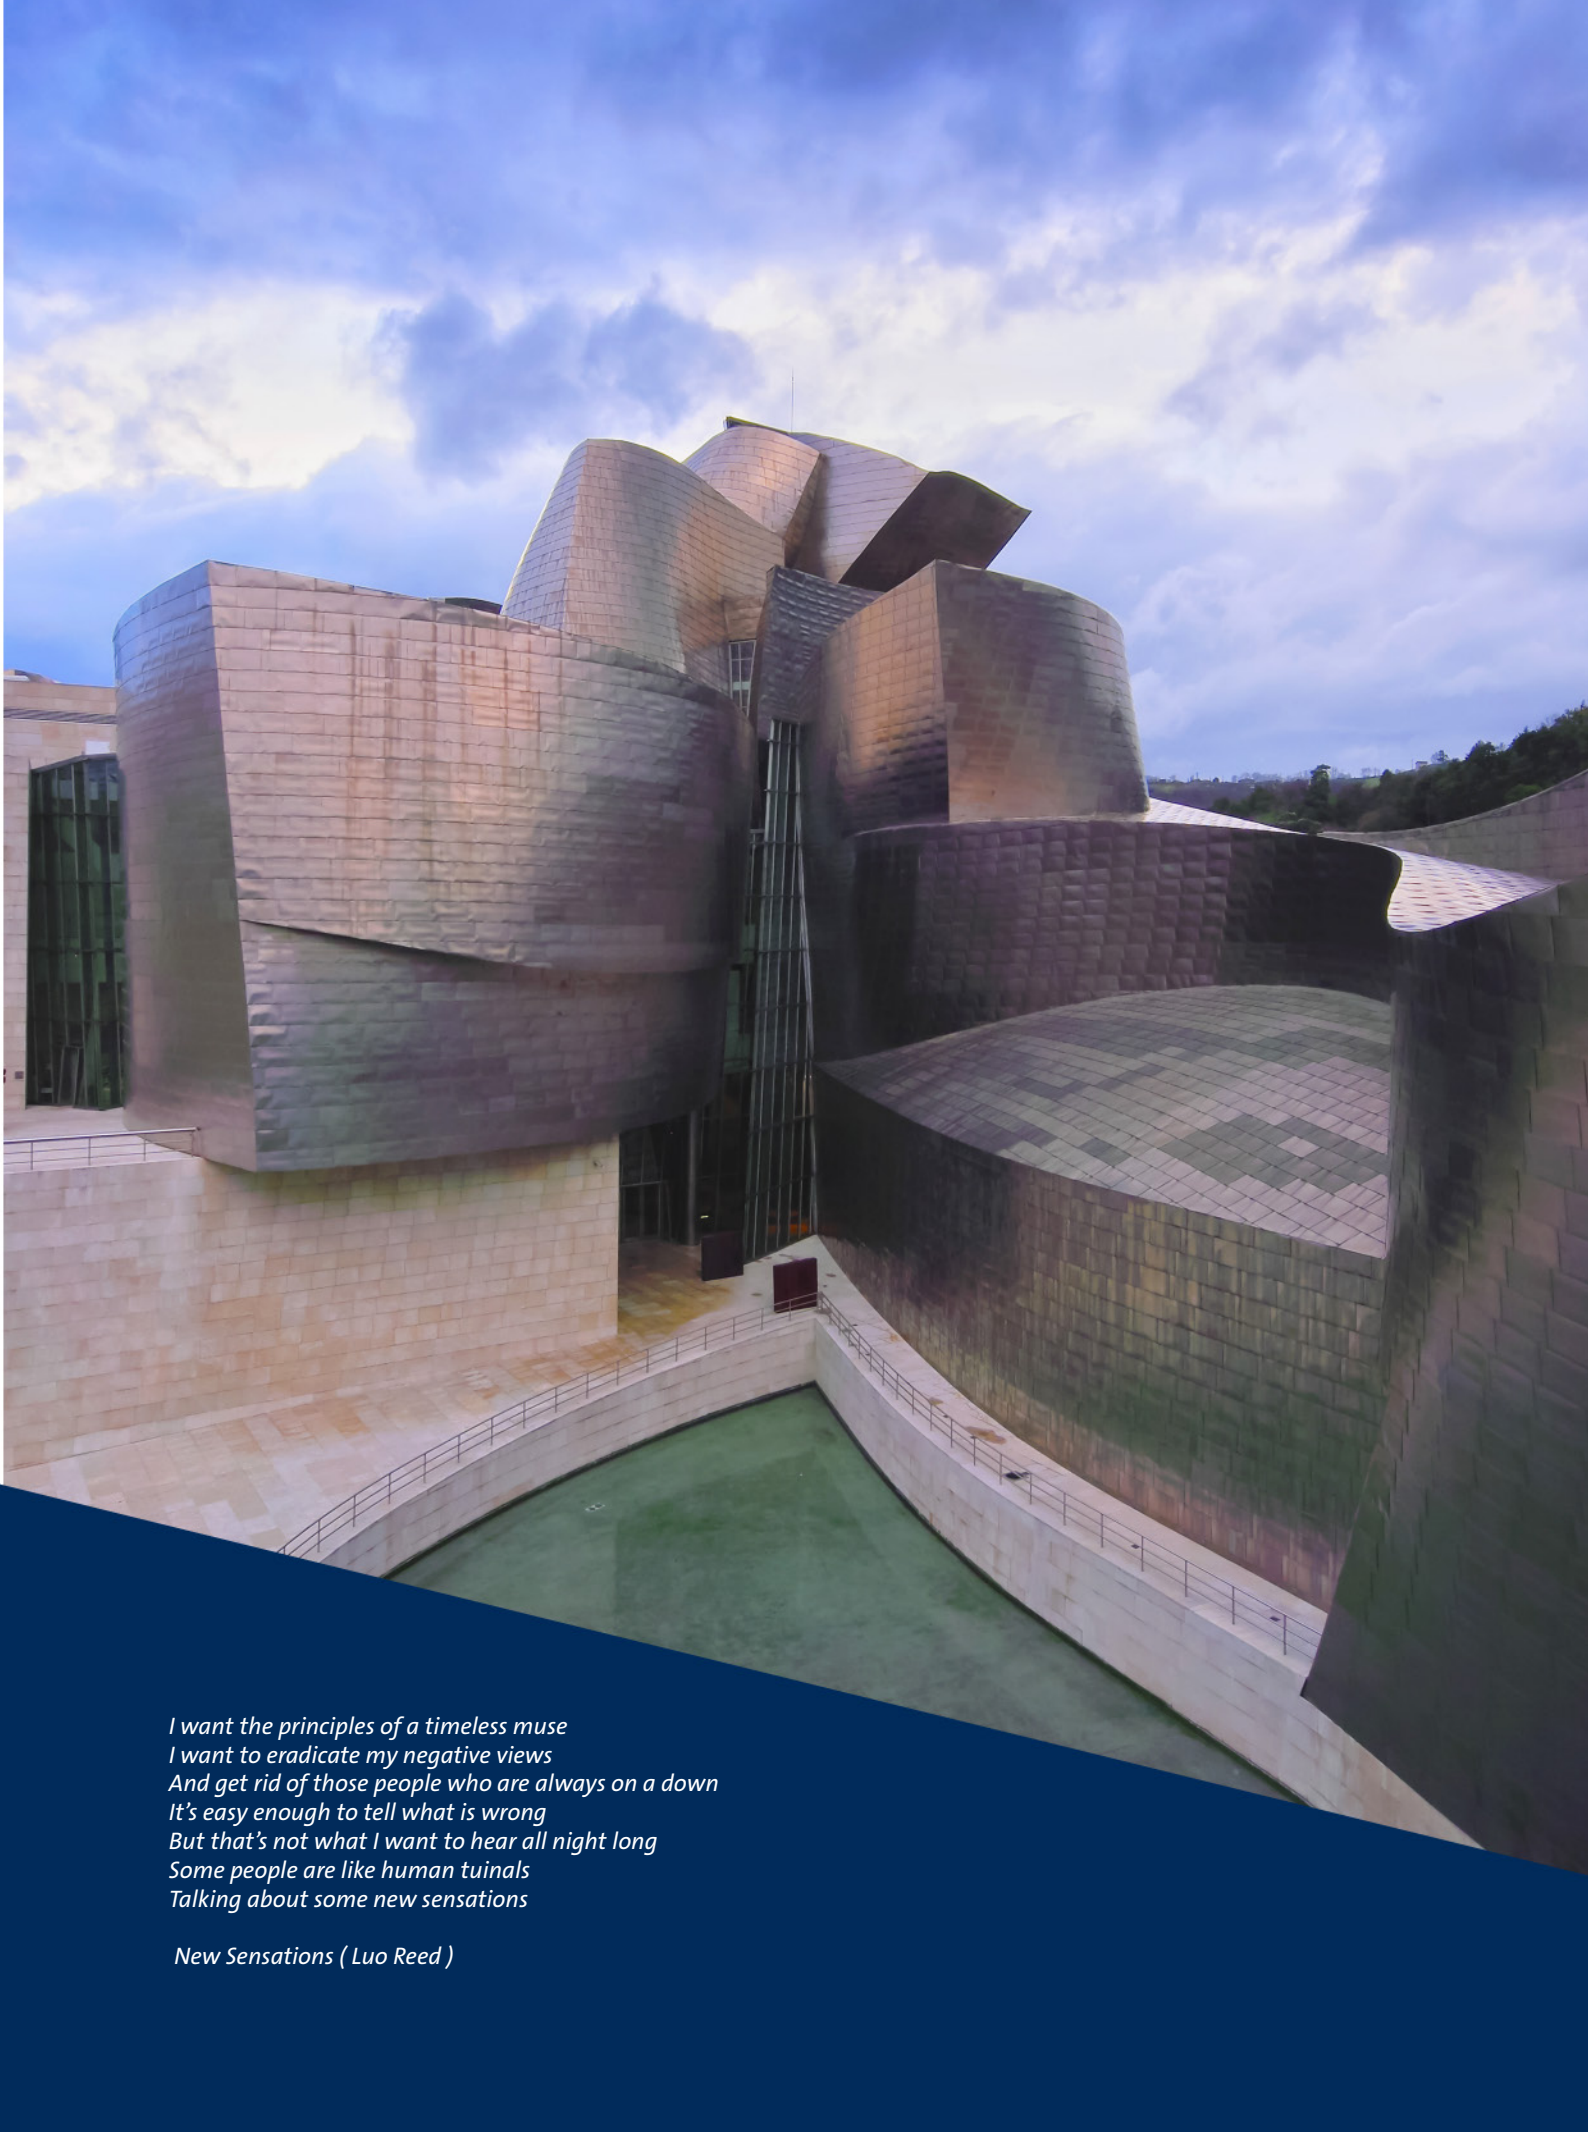
## SOLVENTE ROBUSTEZ



*I want the principles of a timeless muse*
*I want to eradicate my negative views*
*And get rid of those people who are always on a down*
*It's easy enough to tell what is wrong*
*But that's not what I want to hear all night long*
*Some people are like human tuinals*
*Talking about some new sensations*

*New Sensations ( Luo Reed )*

# SERIE ST.PAUL

*Ring the bells that still can ring*
*Forget your perfect offering*
*There is a crack, a crack in everything*
*That's how the light gets in*
*That's how the light gets in*

*( Leonard Cohen)*

# SERIE LOCHES

*Well I won big once and I hit the coast*
*But somehow I paid a big cost*
*Inside I felt like I was carrying the broken spirits*
*Of all the other ones who lost*
*When the promise is broken, you go on living*
*It steals something from down in your soul*
*And when the truth is spoken and it don't make no difference*
*Something in your heart goes cold*

*The Promise (Bruce Springsteen)*

# SERIE OSMOSIS

*Well everybody's got a secret, son*
*Something that they just can't face*
*Some folks spend their whole lives trying to keep it*
*They carry it with them every step that they take*
*Until some day they just cut it loose*
*Cut it loose or let it drag 'em down*
*Where no one asks any questions*
*Or looks too long in your face*
*In the darkness on the edge of town*

*Darkness on Edge of Town( Bruce Springsteen )*

# SERIE DUNGARVAN

*When we found the things we loved*
*They were crushed and dying in the dirt*
*We tried to pick up the pieces*
*And get away without getting hurt*
*Chasing Somethingin the night*
*But they caught us at the state line*
*And burned our cars in one last fight*
*And left us running burned and blind*
*Hmm, chasing something in the night*

*Something In The Night ( Bruce Springsteen )*

# SERIE TIMISOARA

*Far between sundown's finish and midnight´s broken toll*
*We ducked inside the doorway, thunder crashing*
*As majestic bells of bolts struck shadows in the sound*
*Seeming to be the chimes of freedom flashing*
*Flashing for the warriors whose strength is not to fight*
*Flashing for the refugees on the unarmed road of flight*
*And for each and every underdog soldier in the night*
*We gazed upon the chimes of freedom flashing*

*Chimes of Freedom ( Bob Dylan )*

# SERIE CENXI ACERO INOX

*Well Papa go to bed now it's getting late*
*Nothing we can say is gonna change anything now*
*We wouldn't change this thing even if we could somehow*
*Cause the darkness of this house has got the best of us*
*There's a darkness in this town that's got us too*
*But they can't touch me now. And you can´t touch me now*
*They ain't gonna do to me what I watched them do to you*
*Now I don't know what it always was with us*
*We chose the words, yes, we drew the lines*
*There was just no way this house could hold the two of us*
*I guess that we were just too much of the same kind*

*Independence Day ( Bruce Springsteen )*

# SERIE SPARTA

*He hears the ticking of the clocks*
*And walks along with a parrot that talks*
*Hunts her down by the waterfront docks where the sailors all come in*
*Maybe she'll pick him out again, how long must he wait*
*Once more for a simple twist of fate*
*People tell me it's a sin to know and feel too much within*
*I still believe she was my twin, but I lost the ring*
*She was born in the spring, but I was born too late*
*Blame it on a simple twist of fate*

*Simple Twist of fate( Bob Dylan)*

# RECAMBIOS

*And what did you hear, my blue-eyed son?*
*And what did you hear, my darling young one?*
*I heard the sound of a thunder, it roared out a warning*
*Heard the roar of a wave that could drown the whole world*
*Heard one person starve, I heard many people laughing*
*Heard the song of a poet who died in the gutter*
*Heard the sound of a clown who cried in the alley*
*And it's a hard, and it's a hard, it's a hard, it's a hard*
*And it's a hard rain's a-gonna fall*

*A hard rain´s a-gonna fall ( Bob Dylan )*

**Administrar con responsabilidad los recursos del agua garantizará el futuro de las especies:**

# Nuestro futuro

# Garantía de nuestras griferías.

## Garantía para las griferías.

En todas nuestras series de grifería se incluye una garantía de cinco años contra cualquier defecto de cromado o poro en las piezas. Para que esta cobertura sea efectiva se habrá de adjuntar factura o justificante donde aparezca detallada la fecha de la compra.

## Garantía para cartuchos de los monomandos, monturas de los bimandos.

La garantía tanto de los Cartuchos de los Monomandos como de las Monturas, tanto convencionales como cerámicas, de los Bimandos es de dos años. En ambos casos la garantía se aplicará siempre que el defecto sea imputable a las piezas y no a causas externas como impurezas del agua o al uso para su limpieza de nanas o alambrillos o cualquier tipo de productos abrasivos que producirían ralladuras en el cromado o su descomposición.

A este respecto recordar que para la limpieza de las griferías es suficiente con un paño ligeramente humedecido existiendo en mercado también distintos tipos de productos que actúan contra la cal o mejoran el brillo de los cromados sin dañar a su superficie. Recordamos también que al menos un par de veces por año o siempre que se haya cerrado la llaves general del agua o se haya efectuado alguna reparación en las tuberías, hay que desenroscar y limpiar los atomizadores pues son depositarios de todas las impurezas que arrastra el agua y que previamente pudieran no ser filtradas por el cartucho. En caso de que la vivienda o espacio donde se encuentren instaladas las griferías fuera a estar deshabitado durante un periodo largo de tiempo se aconseja dejar perfectamente tapadas las bocas de las válvulas en lavabo, bidets o bañeras por motivo de los gases que se generan en los botes sifónicos cuando estos se secan y que una vez en el ambiente deterioran cualquier producto de latón o hierro.

La presente garantía se limita a la sustitución de las piezas en caso de que hubiera lugar pero nunca, bajo ningún aspecto, quedan bajo el amparo de esta el transporte, la mano de obra del profesional que se encargue de la sustitución de las piezas o cualquier otro tipo de gasto que pudiera ocasionarse.

Gracias por ayudarnos tanto a una correcta distribución como al uso de nuestro producto.

# GRIFERIA PARA DUCHA TEMPORIZADA-FOTOCELULA

*When you're all alone and lonely*
*In your midnight hour*
*And you find that your soul*
*It has been up for sale*
*And you're getting to think about*
*All the things that you done*
*And you're getting to hate*
*Just about everything*
*But remember the princess who lived on the hill*
*Who loved you even though she knew you was wrong*
*And right now she just might come shining through*
*And the Glory of love*
*Glory of love, just might come through*

*Coney Island Baby ( lou Reed )*

# CABINAS HIDROMASAJE

*Oh, what did you see*
*My blue-eyed son?*
*And what did you see*
*My darling young one?*
*I saw a newborn baby with wild wolves all around it*
*I saw a highway of diamonds with nobody on it*
*I saw a black branch with blood that kept drippin'*
*I saw a room full of men with their hammers a-bleedin'*
*I saw a white ladder all covered with water*
*I saw ten thousand talkers whose tongues were all broken*
*I saw guns and sharp swords in the hands of young children*
*And it's a hard, it's a hard*
*It's a hard, and it's a hard*
*It's a hard rain's a-gonna fall*

*A HARD RAIN´S A GONNA FALL ( BOB DYLAN )*

# MECANISMOS Y COMPLEMENTOS CISTERNA ALTA Y BAJA

*It seems like yesterday*
*But it was long ago*
*Janey was lovely she was the queen of my nights*
*There in the darkness with the radio playing low, and*
*And the secrets that we shared*
*The mountains that we moved*
*Caught like a wildfire out of control*
*'Til there was nothing left to burn and nothing left to prove*
*And I remember what she said to me*
*How she swore that it never would end*
*I remember how she held me oh-so-tight*
*Wish I didn't know now what I didn't know then*
*Against the wind*
*We were runnin' against the wind*
*We were young and strong, we were runnin' against the win*

*AGAINST THE WIND ( BOB SEGER )*

# COMPLEMENTOS PARA W.C.

*The road is long and seeming without end*
*The days go on, I remember you my friend*
*And though you're gone and my heart's been emptied it seems*
*I'll see you in my dreams*
*When all our summers have come to an end*
*I'll see you in my dreams*
*We'll meet and live and laugh again*
*I'll see you in my dreams*
*Yeah, up around the river bend*
*For death is not the end*
*And I'll see you in my dreams*

*I'll see you in my dreams ( Bruce Springsteen )*

# COMPLEMENTOS PARA LAVABO-FREGADERO

*I never felt like this before*
*Try to hold it back and I feel it even more*
*Sweat drips down my spine and my knees are weak*
*I can not move, I can not speak*
*But then you came and I held it together again*
*I managed to stumble through*
*Fifty thousand voices singing in the rain*
*There's nothing that I wouldn't do*
*'Cause I'd move mountains if you asked me to*
*I'd swim the seven seas*
*I'll be the one to hold your torch again*

*Pride ( Amy MacDonald )*

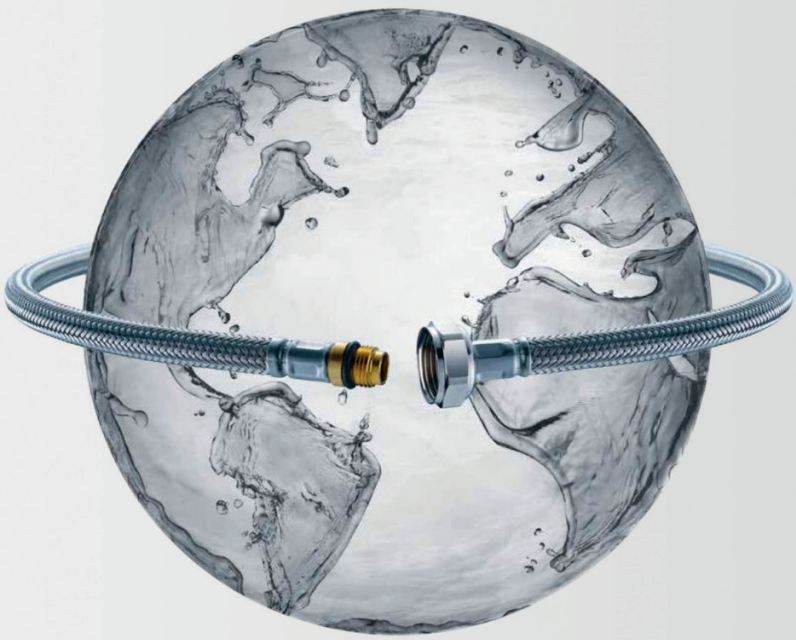
HASTA FIN DE EXISTENCIA



# CONEXIONES-LATIGUILLOS SANITARIAS NEOPERL-MATEU

*Long as I remember the rain been comin' down*
*Clouds of mystery pourin' confusion on the ground*
*Good men through the ages tryin' to find the sun*
*And I wonder, still I wonder, who'll stop the rain?*
*I went down Virginia, seekin' shelter from the storm*
*Caught up in the fable, I watched the tower grow*
*Five Year Plans and New Deals, wrapped in golden chains*
*And I wonder, still I wonder, who'll stop the rain?*

*Who´ll stop the rain ( Creedence )*

# COMPLEMENTOS BAÑERAS Y PLATOS DUCHA

*This hotel bar is full of people,*
*The piano man is really laying it down,*
*The old bartender is as high as a steeple,*
*So why tonight should I wear a frown?*
*The joint is jumpin' all around me,*
*And my mood is really not in style,*
*Right now the blues flock to surround me,*
*But I'll break out after a while.*
*Yes I'm a million miles away*
*But I'm sailing like a driftwood,*
*On a windy bay*

*A Million Miles Away ( Rory Gallagher )*

# VENTILACION COCINA BAÑO

*Would you know my name?*
*If I saw you in heaven*
*Would it be the same?*
*If I saw you in heaven*
*I must be strong*
*And carry on*
*'Cause I know I don't belong*
*Here in heaven*
*Would you hold my hand?*
*If I saw you in heaven*
*Would you help me stand?*
*I'll find my way*
*Through night and day*
*'Cause I know I just can't stay*

# GAS BUTANO COCINA BAÑO

*Loneliness is your only friend*
*A broken heart that just won't mend*
*Is the price you pay*
*It's hard to take when love grows old*
*The days are long and the nights turn cold*
*When it fades away*
*You see her face in every crowd*
*You hear her voice, but you're still proud,*
*So you turn away*
*You tell yourself that you'll be strong*
*But your heart tells you,*
*This time you're wrong*
*Empty rooms,*
*Where we learn to live without love*

*Empty Rooms ( Gary Moore )*

· PN16 BAR
· SJ TAGUS es un contador de esfera super-seca y transmisión magnética según Directiva 2014/32/UE
· Los contadores SJ TAGUS están destinados para su uso con agua fría (T50) o agua CALIENTE (T90)
· La turbina de trasnmisión magnetica es el único elemento en contacto con el agua impidiendo entrada de cualquier sólido en el totalizador dificultando al lectura o dañando componentes frágiles del totalizador.
· El campo de medición máximo certificado Q3 /Q1 ® es de 160º en posición horizontal y 63 en posición vertical
· La gama SJ TAGUS está pre-equipada para el montaje posterior de un emisor de impulsos

· PN16 BAR
· Calibres DN 13 y 15 mm para caudales iguales o inferiores a Q3 = 2,5 m3/h y DN 20 mm para Q3 = 4 m3/h. Para agua fría (50ºC).
· Los contadores COMBI están aprobados según la nueva Directiva 2014/32/UE y la norma UNE EN 15154 con un ratio R125 en posición horizontal.
· R63 EN POSICION VERTICAL
· Transmisión magnética, siendo la turbina la única pieza móvil en contacto con el agua.
· Pre-equipado para emisor de impulsos con tecnología inductiva.
· Gran sensibilidad y fiabilidad, manteniendo las características metrológicas a lo largo del tiempo.
· El sistema de regulación no es accesible después de ser cerrado el contador, garantizando de este modo la exactitud de salida de fábrica.

**Especificaciones Generales:**

1. Presión de trabajo de la válvula: 3-12 Bar
2. Presión de alivio: 10 Bar. El rango de tolerancia en la presión de alivio se determina alrededor de ± 0.5Bar.
3. Medio de trabajo: Principalmente agua para uso doméstico y para termos o calentadores de calefacción.
4. Temperatura de trabajo: 0-110ºC.
5. Garantiza el correcto funcionamiento del termo o calentador de agua debido a su doble función; de válvula de alivio y de válvula anti retorno del flujo.
6. Presión mínima de entrada: 1 Bar.
7. Presión máxima sistema anti retorno: 3 Bar
8. Materiales fabricados en acero inoxidable
9. Diseño especial del mando con tornillo de seguridad y de bloqueo para evitar el uso incorrecto o indebido del sistema de alivio.
10. Roscas de conexión: Roscas Macho-Hembra según norma ISO228 (BS2779).

*Well it seems like I'm caught up in your trap again*
*And it seems like I'll be wearin' the same ol' chains*
*Good will conquer evil and the truth will set you free*
*Then I know someday I'll find the key*
*Then I know somewhere I'll find the key*
*Well it seem like I've been playin' the game way too long*
*And it seems the game I played has made you strong*
*Well when the game is over, I won't walk out a loser*
*And I know that I'll walk out of here again*
*And I know that someday I'll walk out of here again*
*But now I'm trapped, oh yeah!*
*Trapped, oh yeah yeah!*
*Trapped, oh yeah!*

*Trapped ( Bruce Sprinsteen )*

# MATERIALES PARA PRECINTAR

*Arlington house, address no fixed abode*
*An old man in a three-piece suit sits in the road*
*He stares across the water, he sees right through the lock*
*But on and up like outstretched hands*
*His mumbled words, his fumbled words, mock*
*Further down, a photo booth, a million plastic bags*
*And an old woman filling out a million baggage tags*
*But when she gets thrown out, three bags at a time*
*She spies the old chap in the road to share her bags with*
*She has bags of time*
*Surrounded by his past, on a short white line*
*He sits while cars pass either side, takes his time*
*Trying to remember one better day*
*A while ago when people stopped to hear him say*
*Walking round you sometimes hear the sunshine*
*Beating down in time with the rhythm of your shoes*

*One Better Day ( Madness )*

# MATERIALES PARA LIMPIEZA Y OTROS

*You could say I lost my faith in science and progress*
*You could say I lost my belief in the holy Church*
*You could say I lost my sense of direction*
*You could say all of this and worse, but*
*If I ever lose my faith in you*
*There'd be nothing left for me to do*
*Some would say I was a lost man in a lost world*
*You could say I'd lost my belief in our politicians*
*They all seemed like game show hosts to me*
*If I ever lose my faith in you*
*There'd be nothing left for me to do*
*I could be lost inside their lies without a trace*
*But every time I close my eyes I see your face*

*If I ever lose my faith in you ( Sting )*
